Tip tosin toward's the blood filled Room thirteen the four defenders gasped at the door. They all walked into the door. They all felt petrified.

In an instant Ruby turned to Nicholas and explained "I wonder if the Vampire is awake" She mumbled. "But butt but but I'm Scared I want to go home".

There was no chance for the others to answer in fact because they all got down the corridor. The plan was in place. The defenders knew what they had to do. Not everyone was entirely sure that they actually wanted to do it. ~~Nick~~ Nicholas was Scared. Ruby was petrified. Sibhan was scared to and Louie was so scared he whispered "I'm so scared I could faint". It was their problem ~~to~~ now.

Hear beeping as fast as lightning the defenders entered the haunted Room thirteen. It took a brief second or two for their eyes to adjust to the midnight darkness. The demon's coffin lay in front of them looking as high as an old department. The blood hovering demon lay inside. His fangs were as red as ruby red and the defenders stared with fright. ~~Nicholas~~ Nicholas's touch flickered on and there shadows shone like a sun beam dancing across the room. It was ~~be~~ bigger than they ~~therte~~ and even more terrifying than they ~~therte~~.

After that Ruby lifted the stake with confidence. She walked towards the blood filled coffin. Meanwhile Sibhan directly pointed the stake at the beast's cold blooded heart and in a blink of an eye ~~the~~ the Vampire's eyes flickered with fear and the creature screamed with fright. Louie held the cross directly

at the vampires face - Silent. It's stopped.
